

## Description of the unit of intangible cultural heritage

Unique identification of heritage: **2-00032**

Name of the unit: **Traditional pottery making**

Category of heritage:  
**traditional craftsmanship**

Brief description:

**Pottery making involves the production of hand-made clay vessels and other objects, involving knowledge connected with the preparation of materials, the use of tools, design and decorative skills, and the firing of products. Traditional production techniques and forms of products are thus preserved.**
