

Description of the unit of intangible cultural heritage

Unique identification of heritage: **2-00053**

Name of the unit: **Cable ferrying**

Category of heritage:
traditional craftsmanship

Brief description

Cable ferrying consists of transporting people and goods from one river bank to the other with a ferry attached to a cable. This tradition still survives in Mostec near Dobova on the lower course of the River Sava and on the River Mura, for tourist purposes and other economic activities.
